Member resignations

We had two more resignations in March. After more than ten years in the club, Al "Galvi" tendered his resignation. As one of our board approved instructors, Al provided check rides and instruction to quite a few of our members and he will be missed. Al has the opportunity to frequently fly a friend's Bonanza and wasn't utilizing the club aircraft as much. He is available for advanced instruction should anyone not be able to use one of our current instructors. Mark Steel also submitted his resignation in March. We wish both Al and Mark all the best. Fortunately we recently received a new application however so we hope to welcoming a new member in next month's newsletter.
